Re: Sunshine Law Request re Criminal Hackers

Ms. Best,

This will acknowledge receipt of your email dated June 21, 2019. The St. Louis Police Department will provide you with all open record material in its possession which falls within the scope of your request. Sunshine Law requests are generally processed in the order in which they were received and currently there is a backlog of requests being handled. We will advise you of what is available, as well as the time required for, and cost of production as soon as we are able to ascertain those details. We would anticipate responding concerning the availability of records requested sometime during the week July 22, 2019.

Sincerely,

Barbara Manuel-Crossman
Sunshine Law Coordinator
Records Division
